

List of Empanelled Licenses/Vendors for PVSA based Medical Oxygen units

S.No.	Name of Licensees/Empanelled Vendors	Remarks
1.	Gaskon Engineers, New Delhi	Licensee for fabrication of PVSA based Medical Oxygen units.
2.	Bharat Heavy Electricals Limited, New Delhi	Transfer of Technology (ToT) Agreement for the Deployment and Design Up-scaling of PVSA based Oxygen Concentrators.
3.	Paras Defence & Space Technologies Ltd.,Thane	Transfer of Technology (ToT) Agreement for taking up the production of medical oxygen concentrator units at 500 LPM throughput.
4.	CORE Energy Systems Pvt. Ltd., Thane	Transfer of Technology (ToT) Agreement for taking up the production of medical oxygen concentrator units at 500 LPM throughput.
5.	Ozone Research and Application(I) Pvt. Ltd., Nagpur	Transfer of Technology (ToT) Agreement for taking up the production of medical oxygen concentrator units at 500 LPM throughput.
6.	ORTECH Engineering Services, Nagpur	Transfer of Technology (ToT) Agreement for taking up the production of medical oxygen concentrator units at 500 LPM throughput.
7.	Bharat Forge Limited, Pune	Transfer of Technology (ToT) Agreement for the Deployment and Design Up-scaling of PVSA based Oxygen Concentrators.
8.	Gaztron Engineering Pvt Ltd., Greater Noida	CSIR-IIP has not given license but allowed to fabricate PVSA based Medical Oxygen units only for CSIR-IIP as and when required. The vendor is not authorized to use the drawings and design for any third party.
9.	Neometrix Engineering Pvt. Ltd., Noida	CSIR-IIP has not given license but allowed to fabricate PVSA based Medical Oxygen units only for CSIR-IIP as and when required. The vendor is not authorized to use the drawings and design for any third party.
10.	Premit World LLC, New Delhi	CSIR-IIP has not given license but allowed to fabricate PVSA based Medical Oxygen units only for CSIR-IIP as and when required. The vendor is not authorized to use

		the drawings and design for any third party.
11.	Xtreme Engineering Equipment Pvt Ltd , Pune	CSIR-IIP has not given license but allowed to fabricate PVSA based Medical Oxygen units only for CSIR-IIP as and when required. The vendor is not authorized to use the drawings and design for any third party.
12.	MVS Engineering Pvt Ltd., New Delhi	CSIR-IIP has not given license but allowed to fabricate PVSA based Medical Oxygen units only for CSIR-IIP as and when required. The vendor is not authorized to use the drawings and design for any third party.
13.	Atmos Power Pvt Ltd, Ahemdabad	CSIR-IIP has not given license but allowed to fabricate PVSA based Medical Oxygen units only for CSIR-IIP as and when required. The vendor is not authorized to use the drawings and design for any third party.
14.	Airflow Equipments (India) Pvt. Ltd., Chennai	CSIR-IIP has not given license but allowed to fabricate PVSA based Medical Oxygen units only for CSIR-IIP as and when required. The vendor is not authorized to use the drawings and design for any third party.

***Airox Nigen Equipment Private Limited, Gurugram: The Empanelment stands canceled due to their unprofessional behavior and lack of response in executing orders placed by us for the Medical Oxygen units.**

***S.S. Equipments,Aurangabad: The Empanelment stands canceled due to their unprofessional behavior and lack of response.**

***PSA Nitrogen Limited, Faridabad: The Empanelment stands canceled due to their unprofessional behavior and lack of response in executing orders placed by us for the Medical Oxygen units.**
